Friday Sept 6th 1845 Commences light winds from the N.E. lying off and on at Carve one boat ashore trading at 4 P.M. returned with one boat load of Potatoes at sundown kept her off for St. George middle part the same latter part strong breezes saw shoal of blackfish, lowered but did not get first so ends this day No lbs

Saturday Sept 7th 1845 Commences strong breezes and squally steering course S.E. wind from S.W. at 3 P.M. made the Islands of Pice and Fajal bearing S about 30 miles distance, and several sail starting of Easterly middle part fine latter part steering in towards Fajal harbour so ends this day

Sunday Sept 8th First part of this day commences strong breezes from the N.E. at 1 P.M. Capt. and boats crew went ashore at Carve one man had run away John St. Goucher and Frances Shumbe came aboard intoxicated shipped two more middle part laying off and on latter part at 8 P.M. Capt. and boats crew went ashore and sent off one boat load of Potatoes so ends this day

Monday 10th Sept 1845 commences strong breeze from S.W. & rain

At 4 P.M. Capt came aboard the 3 Barks arrived there the day
and Diamond. He had 120 lb. 10 weeks out middle part
laying off and on at Pico from noon when latter part at 3
P.M. 120 lb. came off so ends this day leaving 3 with 4 men off duty

Tuesday Sept 11th 1845 commences light winds and calm stirring on
I saw nothing worth remarking the same men off duty
Joseph Weaver and John Kingstun John Purby Francis B.
middle part light winds the same the 4 men off duty drink
carrion surrounding and Francis Shumbe said if the Capt
officers did not mind there would be a mutiny before
voyage was up latter part at sunrise collect all hands
to make sail and wash off decks they all come up
except the 4 men and they said they would be damned
if they would do any more duty longer as they were above
the vessel we then went down the Forecastle and saw
their chests for rum and found two full bottles we told
them to stay below until they got sober we asked them
what they denied duty for they said there was some to
had been abused and they was afraid it would be their
turn next we then talked ship for Fayal to put them
ashore if they was not willing to go to there duty and
they got sober so ends this day

Wednesday Sept 11th 1845 commences strong breezes from S.W. & rain
in towards Pico at 4 P.M. the Capt went forward and
asked them all separately if they would go together
as they were perfectly sober but they still denied the
then read to them the laws respecting denying duty &
disobedience of orders and told them he would then give
them an hour to think upon it and if they still refused
he should confine them at 5 he the Capt asked them if
had thought of it sufficiently they said they had we
put them in irons and put them down they maintained
very middle part employed in working to windward
at 7 P.M. latter part the same so ends this day

Thursday Sept 12th 1845 commences strong breezes from S.W. & rain
to windward at 4 P.M. came to anchor in Fayal
harbour in 10 fathoms of water custom house officer
sailed the vessel up and left one on board middle part
set anchor watches latter part at 10 P.M. Capt took the 5 men
ashore that had denied duty as there was one more that
had denied duty so ends this day

Atlantic Ocean John [unclear] [unclear]
